## CUSTOM TEST FIXTURES

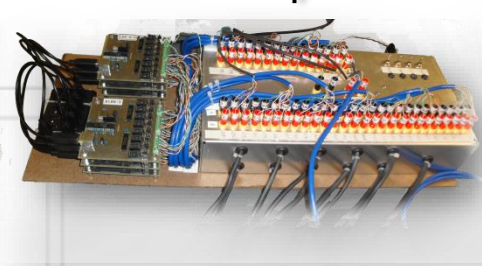

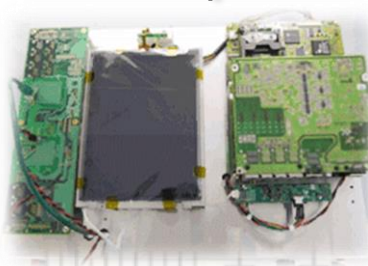

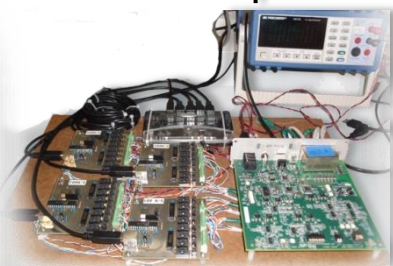

301-540-9913

Portable Field Test Fixtures

Benchtop Test Fixtures

Low Volume Test Fixtures

High Volume Test Fixtures

### Have it your way

Our hardware engineering team can design and develop test fixtures, test software, and test procedures to support integration and testing of complex, low volume production hardware. Development is supported by full engineering documentation. All Intellectual Property is a deliverable.

### Expertise in innovative solutions

Highly experienced in Custom Test Fixture designs that meet challenging requirements

- Portable Test Fixtures
- Benchtop Test Fixtures
- Low Volume & High Volume Test Fixtures
- Manual, Semi-Automated or Automated Production
- Functional Test
- Engineering Verification Test

### Who we are

Core Source Technologies is a core engineering solutions firm specializing in cost-effective, partial and full turnkey outsourcing solutions. Our business focus is on accelerating product development timelines utilizing innovation, experience, and cost-effective solutions.
